

Tritel seeks only authority to transfer control of the existing Section 214 authorization issued in Tritel's name to AWS.

(g) **Exclusion from Environmental Processing**¹⁰

This application is categorically excluded from environmental processing under Section 1.1306 of the Commission's rules.¹¹

(h) **Corporate Control**¹²

By the signature below, AWS certifies that no entity directly or indirectly owns ten percent of AWS's equity, other than the following:

DCM CAPITAL USA (UK) LIMITED
Sanno Park Tower
11-1 Nagata-cho 2-chome
Chiyoda-ku, Tokyo 100-6150
Japan

DCM Capital USA owns approximately 16% of AWS' issued and outstanding shares. DCM Capital USA is a United Kingdom Limited Company that is in the business of telecommunications investments. It is a wholly-owned subsidiary of NTT DoCoMo, Inc., a Japanese telecommunications provider of the same address. NTT DoCoMo is a 61%-owned subsidiary of Nippon Telegraph and Telephone, a Japanese corporation also of the same address.

(i) **Certification Regarding Foreign Carrier Status and Foreign Affiliation**¹³

By the signature below, AWS certifies that it is not a foreign carrier and is not affiliated with any foreign carrier.

¹⁰ See 47 C.F.R. § 63.18(g).

¹¹ See 47 C.F.R. § 1.1306 n.1.

¹² See 47 C.F.R. § 63.18(h).

(j) Certification Regarding Destination Markets¹⁴

By the signature below, AWS certifies that (1) it is not a foreign carrier in any foreign country; (2) it does not control a foreign carrier in any foreign country; (3) no entity controlling a foreign carrier in any foreign country owns more than twenty-five percent (25%) of AWS; and (4) no foreign carriers in any foreign country (or parties that control foreign carriers in any foreign country) own, in the aggregate, more than twenty-five percent (25%) of AWS or are parties to, or the beneficiaries of, a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.

(k) Certification Regarding WTO Status, Market Power, and the Effective Competitive Opportunities Test¹⁵

As AWS has not made any affirmative certifications in response to Section 63.18(j) of the Commission's rules, AWS need not make a showing under Section 63.18(k) of the Commission's rules.

(l) Resale of International Switched Services¹⁶

As AWS has certified above that it is not a foreign carrier and is not affiliated with a foreign carrier, it need not make a showing that it would satisfy Section 63.10(a)(3) or otherwise comply with the reporting requirements of Section 43.61(c) of the Commission's Rules.¹⁷

¹³ See 47 C.F.R. § 63.18(i).

¹⁴ See 47 C.F.R. § 63.18(j).

¹⁵ See 47 C.F.R. § 63.18(k).

¹⁶ See 47 C.F.R. § 63.18(l).

¹⁷ See 47 C.F.R. §§ 63.10(a)(3), 43.61(c).

(m) Regulatory Classification¹⁸

As AWS has certified above that it is not a foreign carrier and is not affiliated with a foreign carrier, AWS requests that the Commission treat it as non-dominant for purposes of this application.

(n) Certification Regarding Special Concessions¹⁹

By the signature below, AWS certifies that it has not agreed, and will not agree in future, to accept any direct or indirect special concessions from a foreign carrier with respect to any U.S. international route where the foreign carrier possesses market power on the foreign end of the route.

(o) Certification Regarding the Anti-Drug Abuse Act of 1988²⁰

By the signature below, AWS certifies that it is not subject to a denial of federal benefits that includes FCC benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.²¹

(p) Streamlining²²

This application qualifies for streamlined processing under the Commission's rules because AWS is not affiliated with any foreign or dominant U.S. carrier, and because AWS does not seek authority to provide switched basic service over private lines

¹⁸ See 47 C.F.R. § 63.18(m).

¹⁹ See 47 C.F.R. § 63.18(n).

²⁰ See 47 C.F.R. §§ 1.2001-1.2003, 63.18(o).

²¹ See 21 U.S.C. § 853(a).

²² See 47 C.F.R. § 63.18(p).

to any country for which the Commission has not previously authorized such service.²³

AWS therefore requests such processing.

²³ See 47 C.F.R. § 63.12.

CONCLUSION

For the reasons stated above, the Commission should expeditiously grant a transfer of control of Tritel's Section 214 authorization.

Respectfully submitted,
